Subject: Request for information regarding Mining Concessions 7169C and 7239C, granted to Haiyu Mozambique Mining Co, Lda.

Dear Sirs,

We acknowledge receipt of your letter regarding the subject above, which has received our utmost attention, and on the matter addressed therein, we have the following to inform:

The process of granting the aforementioned Mining Concessions complied with the provisions set out in the mining legislation for this purpose. That is, at the time the mining concession application was submitted, the mining titleholder met all the legal requirements for its granting.

This Institute cannot provide the full copy of the physical file related to the mining titles mentioned above, as it contains information legally considered confidential.

Nevertheless, should you wish, you may specify the type of information you seek, and if it is eligible to be disclosed, you will be informed accordingly.

Yours sincerely,

Dineo Miguel Milisse

Director General of National Mining Institute
