Dear Sirs

**RE: Request for Information on Mutamba Mineral Sands Project Environmental Licensing Process**

1. We refer to your correspondence dated 10 December 2024 wherein you requested information regarding the status of the Mutamba Mineral Sands project (the "Project") and the provision of certain documentation.
2. Please note that the Environmental Impact Assessment ("EIA") and the Right of Use and Exploitation of Land ("DUAT") have been submitted to Direcção Nacional do Ambiente ("DINAB") and Direcção Provincial da Terra e Ambiente ("DPTA"), respectively and are currently awaiting approval. Mutamba Mineral Sands ("MMS") is working diligently to progress the Resettlement Action Plan ("RAP"). The issuance of the Environmental License and the DUAT will be contingent upon the finalisation of the RAP.
3. MMS is pleased to provide the requested material as outlined below. However, please note that we have included only those documents that are not subject to legal privilege or confidentiality obligations. In light of the above, please find enclosed the following material:
  - 3.1. **Annexure A** – Official Government Gazette publishing the Mining Concession.
  - 3.2. **Annexure B** – Resettlement overview, detailing the number of individuals to be relocated, resettlement location and status of ongoing negotiations.
  - 3.3. **Annexure C** – Copy of the updated EIA report
  - 3.4. **Annexure D** - Correspondence with the DPTA
  - 3.5. **Annexure E** – Public consultation reports.
4. As mentioned above, some of the reports are pending approval and will be provided to you once finalised.
5. We trust that this response addresses your inquiries. Please let us know if you require clarification. We remain committed to ensuring transparency throughout the
